Opportunities in this area don't come along often and when they do, they are snapped up quickly! This central east location is forging ahead and with good reason - it sits between the CBD, East Warrnambool shopping precinct, the Hopkins River and the beach - the perfect haven for singles and families alike. The home itself is enormous, boasting five bedrooms and two bathrooms - and two of these bedrooms are gigantic! The kitchen, bathroom and roof have recently been replaced and look wonderful, this is truly not your standard home. On entering the home you are greeted by rich, warm wooden features that wrap around the inside of the entrance and living areas. There are polished floorboards throughout most of the home and central heating is found in all areas. The block size is a nice 713m2 and is well balanced to the size of the home. A
